

PROJECT **BIKE RACKS**

Creating community through functional art

THE CITY OF
CALGARY

Bike Rack Proposal
Prepared for - City of Calgary, Jack Long Park | July 2020

CREATIVE CONCEPTS

Jack Long Park

Custom bike rack concepts designed with a focus on engaging community, enhancing public spaces and expanding visible bike amenities in Calgary's newly designed Jack Long Park.

JACK LONG PARK
Calgary, AB

A GATHERING PLACE

Jack Long Park sits at the confluence of the Bow and the Elbow rivers, at the gateway to one of Calgary's first communities. People have been gathering here for centuries.

INGLEWOOD BRIDGE

The 9 Ave S.E. Inglewood Bridge served the Inglewood community for 110 years. Built in 1908-1909, the bridge uses a Parker Camelback design typical of the time. Jack Long Park now sits near the location of the original bridge.
