

Inglewood & Ramsay City Projects Update

March 14, 2023

See below for information we've collected on City projects in Inglewood and Ramsay.

Culture + Entertainment District Update: March 2023

With construction underway on more than \$600M in major city-building projects in Calgary's emerging Culture + Entertainment District, including the BMO Centre expansion, the 17 Ave S.E. Extension and Station Rebuild project, the Calgary Stampede's SAM Centre, and more projects to begin this spring, visitors to the area can expect traffic detours and delays through 2023.

As steward of the Rivers District Master Plan, Calgary Municipal Land Corporation (CMLC) is working with the Calgary Stampede, Calgary Sport and Entertainment Corporation, The City of Calgary and the Green Line LRT team to make it as easy as possible for Calgarians to navigate construction.

Beginning March 15: A new traffic and pedestrian detour will be installed at the intersection of 11 Ave and 4 St S.E. to facilitate utilities work on The City of Calgary's Green Line LRT project. The detour will be in place through June 2023. Access to residential buildings and businesses will be maintained through construction.

Travelling from Ramsay: If travelling to or from Ramsay before, during or after a major event at the Scotiabank Saddledome, please be advised that several temporary one-ways

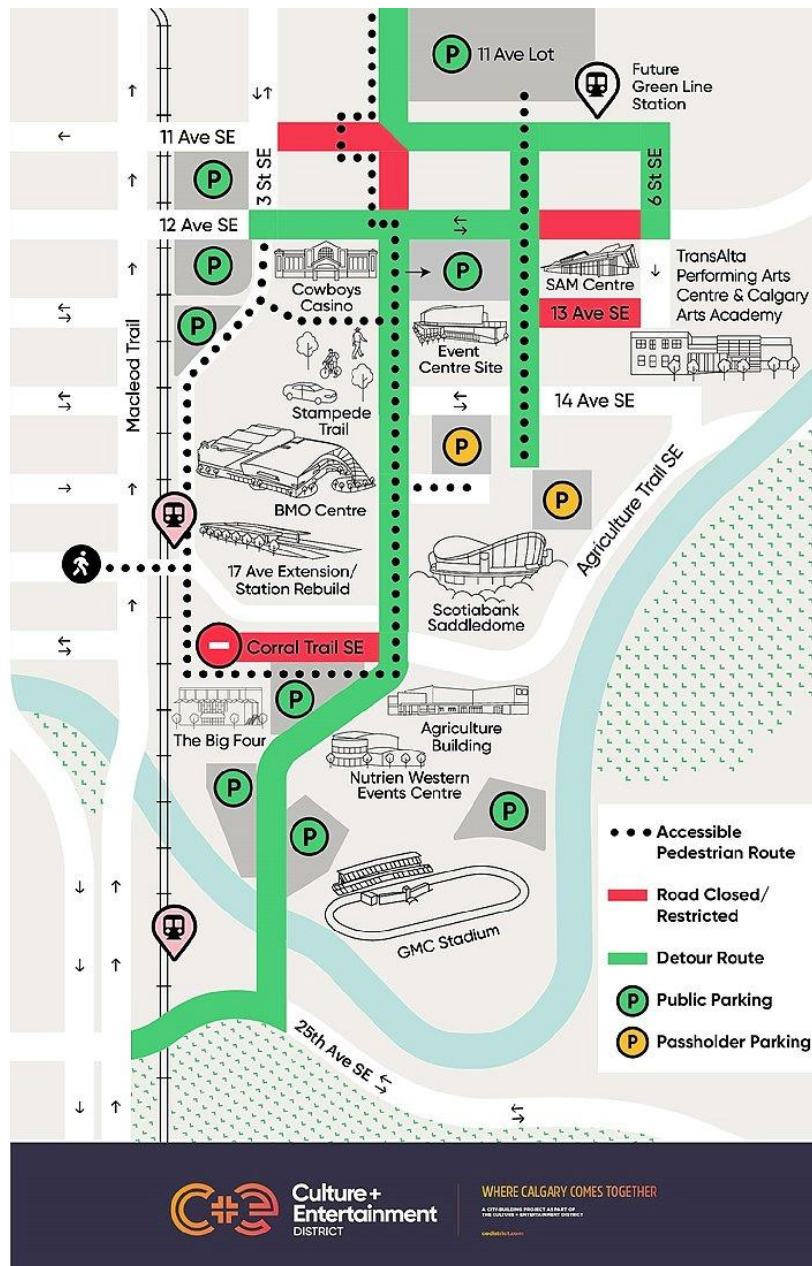

will be in effect on 11 Ave and 12 Ave S.E. Consider taking alternate routes at 25 Ave or 9 Ave S.E. for east- and west-bound traffic.

Please follow detour and wayfinding signs, and check [The C+E Access Map](https://cedistrict.com/access-map) (cedistrict.com/access-map) regularly for real-time updates.

We thank Calgarians and visitors for their patience and understanding while we complete this important city-building work.

Bridgeland Project Coordination: March 18 Information Session

Green To help create awareness of projects and construction planned for the nearby [Bridgeland Riverside Area](#), The City is hosting an information session to introduce and inform the community about the status of projects in the area. The information session is an opportunity to raise awareness, discuss timelines and next steps, and address concerns around construction.

Information Session Details:

Saturday, March 18 from 11:00 am – 3:30 pm.

In the main gym space at the Riverside School (107 6a St NE, Calgary, AB T2E 0B7).

Projects confirmed to attend:

- Bridgeland Main Streets (Phases 1 & 2)
- Bridgeland-Riverside Multi-modal Pedestrian Bridge
- Bridgeland Active Modes Improvements Project
- Bridgeland Place Affordable Housing Redevelopment
