

Construction Notice Ramsay-Inglewood Public Realm Improvements

Construction will pause during the Calgary Stampede July 3-12

The City of Calgary and our contractor, Aecon, are scheduled to pause construction during the Calgary Stampede and reopen all vehicle lanes, intersections and sidewalks from July 3-12.

Due to the Ramsay-Inglewood Public Realm Improvements' proximity to the Stampede grounds, Aecon will wrap up construction and demobilize the site by July 3, to open all vehicle lanes along 12 Street S.E. between the Zoo Bridge and 26 Avenue S.E.

Construction progress

We have made significant progress along 12 Street S.E. in Inglewood so far this year, including:

- Substantially completed the reconstruction of the northbound lanes between 11 Avenue and 8 Avenue S.E.
- Rebuilding the 8 Avenue S.E. intersection
- Nearing substantial completion of the southbound lane reconstruction between 8 Avenue and 9 Avenue S.E.

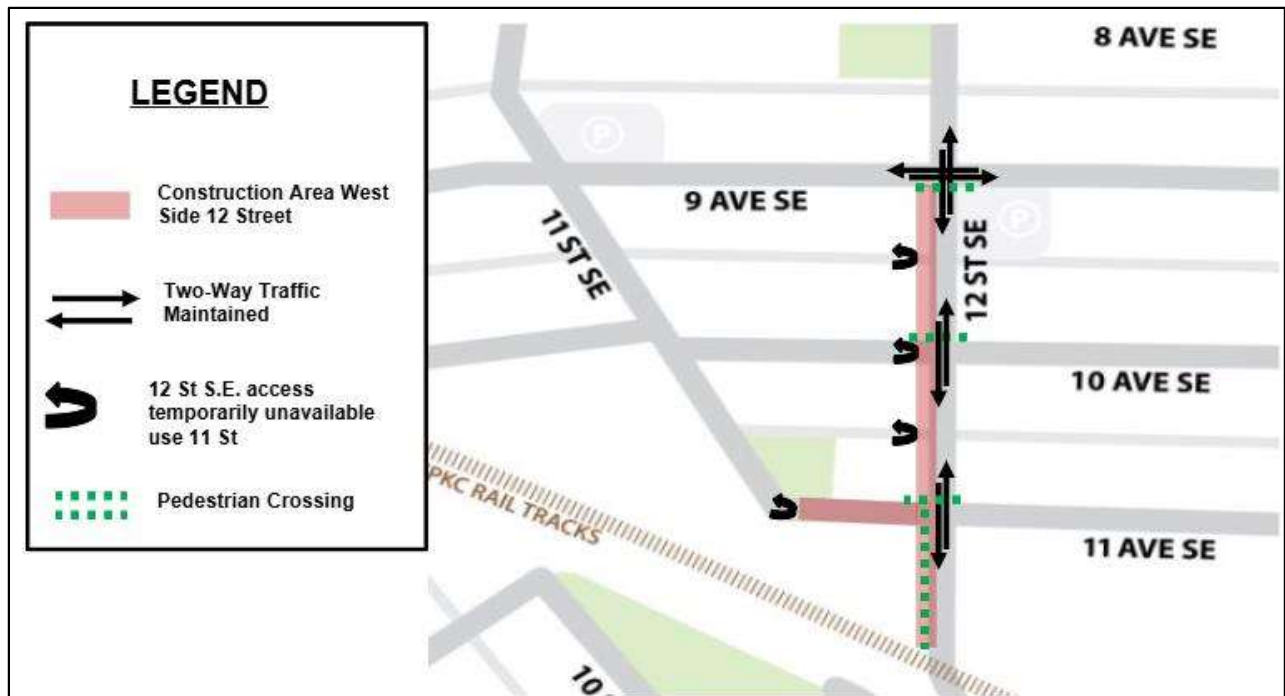

We sincerely appreciate your patience as we work to improve your community.

Looking ahead

Starting the week of July 13, construction moves south of 9 Avenue S.E. along the west side of 12 Street S.E. toward 11 Avenue S.E. and the CPKC railway underpass.

During this phase of construction;

- Two-way traffic will continue to remain along 12 Street S.E.
- 10 Avenue and 11 Avenue, as well as rear lanes will only be accessible from 11 Street S.E.
- Pedestrian access along 12 Street will be maintained through and around the work area.
- Other construction impacts will include dust, noise, vibrations, and uneven driving surfaces with protruding manholes.
- See the map on the back of this notice for more information.

Note: Access to the rear lanes on the west side will be temporarily unavailable while the road on 12 Street S.E. is rebuilt. Use 11 Street S.E. to access rear lanes.

Transit

Visit calgarytransit.com for information on routes accessing 12 Street and 9 Avenue S.E. during the Calgary Stampede.
