- Information is from Calgary Fire Department Access and Egress and Alberta COVID, public health recommendations.
- Existing trees and sculpture garden as well as proposed sport areas, tree massings, and games areas are not included as usable event area in Zone 2.
- Space that might be taken up by temporary amenities for events (e.g. port-a-potties, stages, tents) is considered as part of the useable event area. If an event requires these, event organizers must reduce attendance accordingly.
