Planning for the Next 30 Years

The South McKnight Communities Local Area Planning project is starting Oct. 14, 2026.

A local area plan guides the evolution of communities for the next 30 years, including direction on development and investment in the area.

Working together, we'll create a plan to guide growth, change, development and community improvements in your community and throughout the plan area.

Communities naturally change and evolve over time. It's not about **if** things will change, but **how** things will change – let's create a plan to guide it!

Let's Chat!

Join an in-person or virtual session to discuss what a local area plan is, upcoming engagement opportunities, joining the Working Group and more.

The project team is looking forward to connecting with you to share additional information and answer any questions you may have.

Apply to Join the Working Group

We need you!

Are you passionate about helping shape your community for you and future generations? Are you interested in working with fellow community members, community association members, local builders/developers and City planners?

What is the Working Group?

The South McKnight Communities Local Area Planning Working Group will include people from a range of backgrounds who will provide feedback, consider input provided by the broader community, and discuss concepts and ideas with City planners as the local area plan is created.

This Working Group will participate in seven focused workshops over the next two years and discuss:

- The history of the area.
- Current challenges and opportunities.
- Key priorities and the future vision for the area's evolution.
- Appropriate locations for different types of new development.
- Priorities for local area improvements and investments.
- Refinements to the draft local area plan.

"If you have the opportunity to work with The City on these LAPs within your community one day, do it—it's a really interactive and informative experience."

— Former Working Group member

Who can apply for the Working Group?

We're looking for a broad range of people to join the South McKnight Communities Local Area Planning Working Group, including:

- Local residents including long-term or new homeowners and renters (balance of youth, young professionals, families, singles and seniors).
- People who work in the area.
- People who own property in the area.
- Local business owners.
- Representatives from the development industry.
- Community users (from a recreation or customer perspective).
- Education, faith, environmental, cultural or advocacy group members in the area.

Apply Today

You have insights and ideas that are important as we discuss the evolution of your community and create a local area plan.

For more info and to apply, visit calgary.ca/SouthMcKnight by June 14, 2026.

"I got to meet so many great people from surrounding communities and have some really interesting discussions with them and The City."

— Former Working Group member

"Was great to listen to the concerns and visions and viewpoints of all different types of people who live in the same geographic area. We came together to formulate the future vision for this area."

— Former Working Group member
