

CONSTRUCTION NOTICE

Traffic pattern changes: 9 Avenue S.E. and 6 Street S.E.

Overview

Beginning **October 22, 2026**, traffic along **9 Avenue S.E.** will shift to a new road layout that is expected to remain in place until **October 2027**. This change will allow construction of the future **6 Street Underpass** and supporting infrastructure to continue while maintaining two-way traffic. 6 Street S.E. and the west driveway access at The Confluence will reopen.

CONSTRUCTION NOTICE

As part of this change:

- **6 Street S.E.** north of **9 Avenue S.E.** will reopen with all movements restored.
- A new multi-use pathway will be available along the north side of **9 Avenue S.E.** for pedestrians and active modes users.
- The west driveway access at **The Confluence** will reopen.
- New traffic signals at **9 Avenue S.E.** and **6 Street S.E.** will be operational.
- Transit service along **6 Street S.E.** will resume.
- All intersection movements at **5 Street S.E.** will be restored.
- Construction of the future underpass and supporting infrastructure will continue south of **9 Avenue S.E.**

Traffic transition: October 13 – 21, 2026

Prior to the traffic shift to the north lanes of 9 Avenue S.E., crews will complete a short-term transition to safely relocate barriers and prepare the roadway. During this period:

- Temporary lane shifts and traffic pattern changes will be in place along 9 Avenue S.E.
- Access to businesses and destinations will be maintained.
- Pedestrians should follow posted signage and detours.
- Drivers are encouraged to allow extra travel time and use caution in the construction zone.

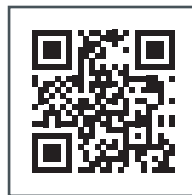

What to expect through October 2027

Residents, businesses, and visitors can expect:

- Ongoing construction activity, equipment, and truck traffic.
- Noise, dust, and vibration typical of a major construction project.
- Traffic control personnel, signage, and wayfinding to assist travelers.
- Periodic traffic, pedestrian, transit, and active modes adjustments as construction progresses.
- Continued access to businesses and destinations throughout construction.

Stay-up-to date

- Future construction updates and impacts will be shared in advance.
- For the latest information on the 6 Street Underpass, visit calgary.ca/6StUP. To sign up for newsletter updates, visit calgary.ca/ScotiaPlace.
- For questions or concerns, please call 311 or email ScotiaPlace@calgary.ca.
- For live updates and to help plan your visit to the area, please visit The C+E Access Map at map.cedistrict.com

We recognize this work will affect those who live and work in the area and appreciate your continued support and patience as we complete this important project.
